

TALENT COASTLINE

Talent Attraction
– How to Attract the Right Talent to
the International Ostrobothnian Export Coastline?

Kokkola 22.1.2019 at 13-16 in Wanha Kalahalli
Free Entry

Invitation · Kutsu · Inbjudan

Finnish companies need skilled employees in general, but also employees with special skills not currently available in Finland. Top talents arriving in Finland reinforce and internationalise Finnish innovation and help attract international investment and talents to Finland. This in turn creates new jobs and helps Finnish companies become more international.

Talent Coastline Kick Off

Welcome · Tervetuloa · Välkommen

Time · Aika · Tid : 22.1.2019 at 13.00-16.00

Venue · Paikka · Plats: Wanha Kalahalli, Kauppatori 1, 67100 Kokkola

Talent Coastline is part of the national programme: Talent Boost – International talents boosting growth, a joint cross-sectoral programme for the Government. In the kick off we discuss about the different ways to attract international talent to our region and find opportunities for our international students and immigrants to find employment and training possibilities in the local companies.

The kick off is organised by Centre for Economic Development, Transport and the Environment (ELY) and VIEXPO. We welcome all interested stakeholders to the event. [Registrations at: Talent Coastline](#) registration by 17.1.2019.

Event will be held in English, Finnish and Swedish.
